## ABOUT US

EduGrip is synonymous with quality education and provides a learning environment that extends teaching beyond the confines of traditional classroom learning. We understand that education is the most powerful weapon to help bring the desired change in our society and contribute to it at large.

We provide Hybrid Learning Model comprising of both Classroom & Digital learning process for students to achieve success in our Country's most competitive examinations. It is our believe that Engineering and Medical aspirants should be committed towards the fulfillment of their goals, with a view to outperform themselves. EduGrip strives to deliver high-caliber services in the field of IIT-JEE and NEET preparation.

EduGrip welcomes to all the aspirants to collaborate with us to transform their personality and build the character required to achieve goal related objectives.

## WHY CHOOSE US ?

Our mission is to create an environment of academic excellence enabled by modern pedagogy and technology to impart quality education. Our aim is to nurture the future generation of leaders by Inference, Perception & Testimony.

**Hybrid Learning Model**  
Classroom & Digital learning.

**Student Centric Approach**  
Providing individual attention with doubt clearance.

**Academician**  
Strong Pool Of Experienced Teachers From Engineering (IIT/NIT/B.E/B.Tech) & Medical Domain.

**Evaluation & Feedback based Mechanism**  
Unparalleled DPPs, Assignments & Test Papers.

## Our Courses

Our programs are highly supervised and designed relevantly to cope up with the present challenges. In-depth and rich content enables the aspirants to understand and prepare themselves for the most esteemed exams in the country.

### JEE / NEET FOUNDATION PROGRAM

CBSE, ICSE & STATE BOARD  
IIT, NEET, NSTSE, NTSE, OLYMPIAD,

CLASS 6th, 7th, 8th, 9th, 10th

This program is thoughtfully designed to lay a strong foundation of Science and Mathematics for the students of class VIII, IX & X to help students crack quality competitive exams like NTSE, IJSO, NSTSE, National / International Olympiads and Nationally recognized awards like Balshree, National Child Award, Homi Bhabha etc.. The classroom training is provided to the students to build strong reasoning and analytical skills in Mathematics and Science by augmenting and expanding the knowledge acquired in school. These lectures and the corresponding assignment sheets are carefully planned to help early generation of interests in these subjects. Conceptual accuracy also allows students to gain strength in the subject and generate interest and liking for the subject. Therefore, the aspirants would have a dual advantage over other students in terms of their embellished knowledge at the respective school exams as well as equipped with age-appropriate competitive examinations.

### JEE / NEET INTEGRATED PROGRAM

JEE MAIN / JEE ADVANCED  
NEET / AIIMS, MH-CET

CLASS 11th, 12th

To succeed in the prominent entrance exams, one requires a thorough understanding of Physics, Chemistry, Mathematics and Biology, and the ability to solve questions with accuracy and speed. Keeping this in mind, the Integrated Classroom Program runs along with the school schedule, ensuring good results in competitive exams as well as school exams. It helps students to take early lead, prepare them gradually in methodical manner for high level competitive exams like JEE and NEET. Thus, our aspirants are bound to acquire a GRIP on the curriculum, acquire self confidence and develop an integrated approach for all entrance examinations.
